

# Bus Safety & Security

Round Table Discussion

# Pre-Trips & Post-Trips

- Do your bus drivers look for anything out of the ordinary on their bus **every day**?
- What training do you provide to ensure this happens?

# Emergency Situations

- Active shooter
- Student fights
- Medical emergency
  
- Irate parent or other person boarding a bus.

Seizure  
Asthma  
Fight  
Gun

# Bus Accidents

- What do you do first? ● Who do you contact?
- Who handles news media?

# Security Cameras

- Are security cameras required in your state?
- How many on the inside of your bus?
- How many on the outside?
- What angles--and WHAT--do you want to see?

# Child Safety

- At pick-up: How far from the bus do your drivers have children stand?
- At drop-off: How many feet away from the bus do your drivers have children go, before continuing their route?

- How do you prevent irate adults from boarding the bus?

## Communication

- Radio
- Cell Phones

- E-mail reminders
- Checklists

## Prevention

- Training
- Communication
- Handle the small problems your drivers encounter before they become BIG ONES.

**An ounce of prevention  
is worth a pound of cure**
