Being a Winner in a sometime loosing situation
If you believe in yourself and have dedication and pride - and never quit, you'll be a winner. The price of victory is high but so are the rewards.

Paul Bryant

It's easy to have faith in yourself and have discipline when you're a winner, when you're number one. What you got to have is faith and discipline when you're not a winner.

Vince Lombardi

A winner is a person that is willing to go that extra inch or that extra mile
A winner is a person that is willing to go that extra inch or that extra mile. What exactly does this mean?

Before we can go the extra inch or mile we first:

- We need to know where we are going
- We need to know why we are doing what we are doing.
- We need to know how we are going to get there.
I for Integrity

Integrity is:

"Honesty and integrity are absolutely essential for success in life — all areas of life. The really good news is that anyone can develop both honesty and integrity."
No matter how educated, talented, rich, or cool you believe you are, how you treat people ultimately tells all. **Integrity is Everything.**

* If you plant honesty, you will reap trust

* If you plant goodness, you will reap friends

* If you plant humility, you will reap greatness

* If you plant perseverance, you will reap contentment

* If you plant consideration, you will reap perspective

* If you plant hard work, you will reap success

* If you plant forgiveness, you will reap reconciliation

So, be careful what you plant now; it will determine what you will reap
Never, Never stop Growing

• “Make every effort to add to your goodness and to goodness, knowledge, and to knowledge, self-control, and to self-control, perseverance, and to perseverance, godliness, and to godliness, brotherly kindness and to brotherly kindness, love. For if you possess these qualities in increasing measure, they will keep you from being ineffective and unproductive.”
Only as high as I reach can I GROW, only as far as I SEEK can I go, only as deep as I LOOK can I SEE, only as much as I DREAM can I BE.

~Karen Raun
Need to always keep an open mind!!!!!!

• Mark Twain once said:

• An open mind leaves a chance for someone to drop a worthwhile thought in it.
What does it mean to have an open mind?

• There is an honesty that comes with an **open mind** because being **open-minded** **means** admitting that you aren't all-knowing.
How can you be open minded?

• Try thinking things over before doing or saying them.
• Always be opening to learning. ...
• We all have things we can learn from others, so when you are truly open minded, you'll implement those discoveries in your own life.
• Try teaching other people about your ideas, instead of arguing about it being your way
“ALWAYS KEEP AN OPEN MIND. LIKE ME, FOR EXAMPLE, I DON’T REALLY LIKE THE THEATER BUT I’M GOING TO GIVE IT A SHOT”

Abraham Lincoln
A mind is like a parachute. It doesn’t work if it isn’t open.

Frank Zappa
What has been said about a person who has an open mind?

• Are more accepting of others and have fewer prejudices
• Are more optimistic and make the most of life
• Have less stress because they are more open to change
• Have better problem solving skills
• Want to learn more, therefore are more interesting
Encourager

• John C Maxwell once said:

• Everyone has the potential to become an encourager. You don't have to be rich. You don't have to be a genius. You don't have to have it all together. All you have to do is care about people and initiate
We all know people that we consider to be encouragers. What are their traits?

Blessed is he who has learned to admire but not envy, to follow but not imitate, to praise but not flatter, and to lead but not manipulate.

William Arthur Ward
Leave everyone you meet better than you found them. Become an encourager of potential versus a destroyer of confidence.

Eben E. Blumen
“I believe in you” are the most powerful words that one person can ever say to another. "These words are life-giving. They tell a person that they matter, that they are valuable, and that they are needed in this world."
“I’m a success today because I had a friend who believed in me and I didn’t have the heart to let him down.”
- Abraham Lincoln
Don't ruin a good today by thinking about a bad yesterday. Let it go.
Reliable

It is OK to say ‘no’.
It is OK to say ‘I will think about it’.
It is OK to say ‘I will try’.

It is NOT OK to make promises you cannot keep.

Don't be reliable only when it is convenient.
Characteristics of being Reliable

1. Promises
2. Expectations
3. Don’t leave people hanging
4. Do it Well
5. Consistent
6. Pull your weight
7. Take Responsibility
8. Honest
9. Behavior
10. Emergency situations, don’t panic
Promises

Don’t make promises you can’t keep

Keep your promises
Expectations

• Every time I step up to the plate, I expect to get a hit! If I don't expect to get a hit, I have no right to step in the batter's box in the first place!" "If I go up hoping to get a hit," he continued, "then I probably don't have a prayer to get a hit. It is a positive expectation that has gotten me all of the hits in the first place." Pete Rose
Don’t leave people hanging:
Do it Well and being, Consistent
Take Responsibility
Don’t Panic

Sometime I panic and think there’s a crazy person in my house, then I realise it’s just me.

• What is the setting for the meeting
• How do you set the tone for the meeting
• Are you prepared to agree to disagree
• Do we go into a meeting with an open mind or is it already determined what the outcome will be
• Are we already on defense going into the meeting
• Do we actually listen to what is being said
• Do we make eye contact
• What does our body language say
• Do we control our facial expressions
• What does the tone of our voice say
What is the setting like?
How do you set the tone for the meeting at the beginning?

Don't let people pull you into their storm.
Pull them into your peace.

- Kimberly Jones
Are you prepared to agree to disagree
Do we go into the meeting with open mind or have we already got our mind made up?

“NOW YOU KNOW THE REST OF THE STORY.”

PAUL HARVEY

Do we go into a meeting already with a defense for the situation?

• There are different ways to fold arms:
  • With clenched fists.
  • Arms folded tightly or loosely.
  • With hands hidden or revealed.
  • With hands clutching the arms.
  • With hands under the arms pits, and other variations...
• All of these gestures project defensiveness
Do we actually listen to what is being said are we just listening for an opportunity to speak

The biggest communication problem is we do not listen to understand.

We listen to reply.
Do you make eye contact

He waits till Jack's eyes look at his eyes

This means Jack is ready to listen.

Do we control our facial expressions
What is our voice tone like? Rough, loud, soft, aggressive??????????

10% of conflicts are due to difference in opinion. 90% are due to wrong tone of voice.
Being A Winner in a Sometimes Losing Situation simply boils down to

- Being a professional in every situation
- Treating others with the respect you want to be treated with
- Being willing to have an open mind
- Being willing to come up with a solution to the problem that is workable.

(Not necessarily what one or the other wants but workable)
If you don’t like something change it; if you can’t change it, change the way you think about it.
The Happiest People don’t have the best of everything, they just make the best of everything.
worrying won't stop
the bad stuff from happening
it just stops you
from enjoying the good.
My Friend James says:

You must all be quick to listen, slow to speak, and slow to get angry. Anger does not produce the righteousness!!!!!!!!!!!!!!!

As we all know the only thing anger does is cause more problems.
